

Third Light Open Source Software (OSS)				
<p>Third Light Intelligent Media Server (IMS) and Third Light Chorus (C) Third Light Limited 2002 - 2021. The following copyright statements and licenses apply to various open source software components (or portions thereof) that are distributed with these products. A Third Light product that includes reference to this file does not necessarily use all the open source software components referred to below and may also only use portions of a given component. To the extent any open source components are distributed under licenses that require the source code and/or modifications to source code to be made available, you may obtain a copy of the source code corresponding to the binaries for such open source components and modifications thereto, if any, (the "Source Files"), by sending a request, with your name and address to Third Light Ltd, 7330 Cambridge Research Park, Waterbeach, CB25 9JH United Kingdom. All such requests should clearly specify: OPEN SOURCE FILES REQUEST. Third Light shall mail a copy of the Source Files to you on a CD or equivalent electronic medium. Source Files may accompany the Product or be readily obtained by following the references provided in this file.</p>

Third Light Debian Linux OS				
<p>The following list details all dependencies of the Chorus debian installer package. It is a mix of off-the-shelf packages available from the standard debian repositories, and packages maintained by Third Light.</p>				
<p>Of the packages maintained by Third Light, these are a mix of simple backports from newer versions of Debian OS, modified versions of off-the-shelf OSS products, and custom packages.</p>				
<p>All of the Third Light maintained packages are available at Third Light's public debian repositories (hosted at https://updates.thirdlight.com) and all are distributed with an OSS license compatible with the original source package.</p>
